Dear [redacted]

In accordance with recent discussions with [redacted], we understand that the following additional controls will be instituted as soon as possible:

1. Changes will be made where and if necessary in the American policy staff in Munich to insure that the American policy advisors to each of the national desks are individuals with the required linguistic and editorial competence.

2. All key political commentaries will be reviewed by such personnel in the national language prior to broadcast.

3. The amount of political commentary and editorializing will be reduced.

4. RFE will transmit to New York daily, a teletype summary of the guidance governing broadcasts.

Would you be good enough to confirm that these controls are being placed in effect.

Sincerely,

[redacted]
